Can the NUMA crew crack it in time? Sea of Greed is the suspenseful new NUMA Files novels from the #1 New York Times-bestselling grand master of adventure. After an explosion in the Gulf of Mexico destroys three oil rigs trying to revive a dying field, Kurt Austin and the NUMA Special Projects Team are tapped by the President of the United States to find out what's gone wrong. The trail leads them to a brilliant billionaire in the alternative energy field. Her goal is the end of the oil age; her company has spent billions developing the

worlds' most advanced fuel-cell systems. But is she an environmental hero...or a rogue genetic engineer? The NUMA crew discovers that the oil fields are infected with bacteria that are consuming the oil before it can be pumped out of the earth--a bacteria originally lost decades ago when two submarines vanished in the Mediterranean. With hired killers on his trail, can Kurt Austin locate a submarine that's remained hidden for more than fifty years? And even if he can, can the biological terror that's been unleashed be stopped?

The Storm Jun 20 2022 When the incomplete invention of a genius environmentalist falls into the wrong hands, it's the NUMA crew that will be the first casualties of war, and team leader Kurt Austin will stop at nothing to get justice for his fellow agents in this #1 New York Times-bestselling series. In the middle of the Indian Ocean, a NUMA research vessel is taking water samples at sunset, when a crew member spots the familiar sheen of black oil ahead of them. But it is not oil. Like a horde of army ants, a swarm of black particles suddenly attacks the ship, killing everyone aboard, while the ship itself goes up in flames. A few hours later, Kurt Austin, Joe Zavala, and other members of the NUMA Special Assignments Team are dispatched to check on their colleagues. They find no survivors, but the remains of a new technological marvel on the smoldering hulk of the ship point them towards a new adversary. Knowing the victims makes this mission deeply personal for Austin and

Zavala. They'll uncover the scheme: an audacious plan to alter the weather on a global scale. They'll find the technology that can make it happen: microrobots, originally designed to stave off pollution. But what they may not learn in time is the face of their true enemy. And, on assignment this close to the hearts and minds of the NUMA crew, the danger is likely to hit close to home. Filled with the high-stakes suspense and boundless imagination that are unique to Cussler, *The Storm* is one of the most thrilling novels yet from the grand master of adventure.

The Bootlegger Jun 28 2020 When Detective Isaac Bell's mentor is shot, the turn-of-the-century investigator traces the attack from a booze-smuggling operation back to a team of international saboteurs in this #1 New York Times-bestselling series. It is 1920, and both Prohibition and bootlegging are in full swing. When Isaac Bell's boss and lifelong friend Joseph Van Dorn is shot and nearly killed while leading the high-speed chase of a rum-running vessel, Bell swears to him that he will hunt down the men responsible. But Bell doesn't know what he is getting into. When a witness to Van Dorn's shooting is executed in a ruthlessly efficient manner invented by the Russian secret police, it becomes clear that these are no

ordinary criminals. In a trail that leads from the ravages of post-World-War-I Europe to the speakeasies of New York, to the lawless streets of Detroit and Florida's lavish beachside resorts, Isaac tracks the footsteps of an enterprise more ingenious and far-reaching than any he has ever known. For this is no mere bootlegging operation, but a powerful international organization with the very downfall of America in its sights . . .

Blue Gold Jul 02 2023 Clive Cussler's New York Times bestselling Blue Gold, now available in ebook, is a heart-pounding thriller in the NUMA adventure series. Kurt Austin navigates the Amazon jungle in search of a legend that could change the path of science—but secretive powers will do anything to stop him. From deep within the Venezuelan rain forest emanates the legend of a white goddess and a mysterious tribe with startling technical accomplishments. Few believe the tribe exists—and even fewer suspect its deity may hold knowledge that can change the course of history. For National Underwater & Marine Agency crew leader Kurt Austin, an investigation into the sudden deaths of rare whales leads him to the Mexican coast, where someone tries to put him and his mini-sub permanently out of commission. Meanwhile, in South America's lush hills, a specially assigned NUMA crew turns up the white-goddess legend—and a murderous cadre of bio-pirates intent on stealing medicinal secrets worth millions. Soon Austin and his crew realize they're working the opposite ends

of the same grand scheme. A billionaire California tycoon is poised to rise to power by monopolizing the earth's vastly depleted freshwater reserves and ultimately dominate the world. Austin has a hunch Venezuela's mythical tribal goddess has some real roots in science, and may be the key to locating a secret formula that could turn vast amounts of seawater into fresh. But with each step into the bush, he and his NUMA team feel like fish out of water—and must fight a deadly, twisting trail of enemies through a dense jungle of treachery, blackmail, and murder.

Medusa Apr 30 2023 Kurt Austin puts the NUMAA team on a case involving a hideous series of medical experiments, an extraordinarily ambitious Chinese criminal organization, and a secret new virus that threatens to set off a worldwide pandemic.

Polar Shift Oct 05 2023 Polar Shift is the sixth NUMA Files novel by the inimitable Clive Cussler. Giant freak waves send an unsinkable cargo ship to the bottom of the Atlantic and a herd of killer whales attack a party of kayakers in the Pacific - random events, or evidence of polar shift? For Kurt Austin of NUMA these two seemingly unconnected incidents are harbingers of a global phenomenon that will mark the end of civilization! A secret organization aiming to bring down the world's elite powers have discovered the means to bring about polar shift - a catastrophic event that will cause earthquakes, lava eruptions, tsunami, electrical disruption and giant

whirlpools. Austin knows that he and NUMA cannot fail this time. The end of the world is coming unless he and the team can track down the conspirators or reverse the effects of the Earth's most destructive power: polar shift! Polar Shift Nov 06 2023 NUMA operative Kurt Austin takes on a madman fronting as an environmentalist in this #1 New York Times-bestselling series. Sixty years ago, an eccentric Hungarian genius discovered how to artificially trigger such a shift in the polar ice caps, which could cause massive eruptions, earthquakes, and even climate changes. But then his work disappeared, or so it was thought. Now, the charismatic leader of an antiglobalization group plans to use it to give the world's industrialized nations a small jolt, before reversing the shift back again. The only problem is, it cannot be reversed. Once it starts, there is nothing anyone can do. Austin, Zavala, and the rest of the NUMA Special Assignments Team must make strange alliances to protect this technology from being exploited by their new and power-hungry nemesis before the entire planet is made to pay. Rich with all the hair-raising action and endless imagination that

have become Cussler's hallmarks, Polar Shift is a wonderful thriller—indeed, “vintage Cussler.”
