New York Times bestselling author Linda Fairstein delivers a heart-pounding thriller that explores the dark secrets of Manhattan's iconic fashion scene in this Alexandra Cooper novel. New York City is one of the fashion capitals of the world, well-known for its glamour and style. Yet high fashion means high stakes, as Alex Cooper quickly discovers when businessman and designer Wolf Savage is found dead in an apparent suicide, mere days before the biggest show of his career. When the man's daughter insists Savage's death was murder, the case becomes more than a media sensation: It is a race to

find a killer in a world created entirely out of fantasy and illusion. With her own job at the DA's office in jeopardy, and the temptation to self-medicate her PTSD with alcohol almost too strong to resist, Alex is not anyone's first choice for help. But she is determined to uncover the grime--and the possible homicide--beneath the glitz. Along with detectives Mike Chapman and Mercer Wallace, Alex must penetrate the twisted roots and mixed motives among the high-profile players in the Garment District--just as things are about to get deadly on the catwalk. More than hearts are at stake for a legendary family in Cindy Dees's new miniseries, The

Prescott Bachelors! Wannabe stuntwoman Ana Izzolo can't believe she's landed a starring role in actor-producer Jackson Prescott's new film. A plain-Jane nobody and a megastar? Their on-screen chemistry is electric, burning up the celluloid...but offscreen, Ana is stalked by danger. Like a true Hollywood hero, Jackson whisks her to his oceanfront mansion, practicing love scenes while keeping her safe. But when their real-life relationship starts mirroring the movie's leading couple, the confirmed bachelor fears he may fall for the doe-eyed ingenue. If the stalker doesn't get her first... Unlike other politicians, Ethan Carrick is a nice guy--and a hot,

casino-owning vampire. And with elections coming up, he'd like to find his First Lady-if his opponent's hit men don't find him first. All bets are off as #1 New York Times bestselling author Iris Johansen introduces gambler Logan Tanner, a man with a secret past that's about to come back to haunt him. Logan Tanner lives the exhilarating life of a professional gambler, taking risks with nerves of steel. From casinos in Macau to Monte Carlo to Milan, he's racked up a fortune and become a living legend. But all the glitz and glamor hide a dark and violent past as an extractor—a world that comes rushing back to him when the beautiful and

innocent Lara Balkon enters his life. Soon Logan is drawn into the conflict between two Russian mafia bosses over Lara, whose life now hangs in the balance. Logan has been offered something more valuable to him than money—information he desperately needs—in exchange for getting Lara out of Russia and to safety. Once together, Tanner discovers that Lara is a force to be reckoned with in her own right. Tanner's search for the truth leads them to the bright lights of Las Vegas. Where the person who was hunting Lara now lies in wait for them. With the stakes climbing with each deadly confrontation, Logan and Lara

are soon catapulted into a game against pure evil. The odds are stacked against them, but it's a game they know they must play...even if it may cost them their lives. New York Times bestselling author Linda Fairstein delivers a heart-pounding thriller that explores the dark secrets of Manhattan's iconic fashion scene in her latest Alexandra Cooper novel. New York City is one of the fashion capitals of the world, well-known for its glamour and style. Nowhere is this more apparent than on the runway, where American haute couture continually astounds with its creativity, daring, and innovation in the name of beauty. Yet high fashion means

high stakes, as Alex Cooper quickly discovers when businessman and designer Wolf Savage is found dead in an apparent suicide, mere days before the biggest show of his career. When the man's daughter insists Savage's death was murder, the case becomes more than a media sensation: It is a race to find a killer in a world created entirely out of fantasy and illusion. With her own job at the DA's office in jeopardy, and the temptation to self-medicate her PTSD with alcohol almost too strong to resist, Alex is not anyone's first choice for help. But she is determined to uncover the grime—and the possible homicide—beneath the glitz.

Along with detectives Mike Chapman and Mercer Wallace, Alex must penetrate the twisted roots and mixed motives among the high-profile players in the Garment District. The investigation takes the trio from the missing money in Wolf Savage's international fashion house to his own recovery from addiction; from the role of Louisiana Voodoo in his life to his excessive womanizing; and to the family secrets he kept so well-hidden, even from those closest to him—just as things are about to get deadly on the catwalk. With *Killer Look*, Linda Fairstein proves once again why she is the “Queen of Intelligent Suspense.”* *Lee Child Linda Fairstein was chief

of the Sex Crimes Unit of the district attorney's office in Manhattan for more than two decades and is America's foremost legal expert on sexual assault and domestic violence. Her Alexandra Cooper novels are international bestsellers and have been translated into more than a dozen languages. a private detective related to the victims. But as Boulder tries to track the heinous killer, a young woman is abducted and found dead—and Boulder realizes these murders have something unusual in common. With virtually no leads for Boulder to follow, he strives to find a clue to the killer's identity, but he's not even sure if he's hunting for one perpetrator or more. Then, after a young couple is snatched in the middle of the night, the FBI comes to Colorado to help with the case and Boulder is warned off. Still, he feels he has no choice but to press on when incendiary mobile-phone footage is sent to every major US news

outlet—though it won't be easy with the authorities against him—in this intense crime thriller by a #1 bestselling author. "A propulsive mystery with high stakes and devious, masterful twists that will leave you guessing until the very last page. Diana Urban's latest had my jaw on the floor." —Jessica Goodman, bestselling author of *They Wish They Were Us* Let's play a game. You have 24 hours to win. If you break my rules, she dies. If you call the police, she dies. If you tell your parents or anyone else, she dies. Are you ready? When Crystal Donovan gets a message on a mysterious app with a picture of her little sister gagged and bound, she agrees

to play the kidnapper's game. At first, they make her complete bizarre tasks: steal a test and stuff it in a locker, bake brownies, make a prank call. But then Crystal realizes that each task is meant to hurt—and kill—her friends, one by one. But if she refuses to play, the kidnapper will kill her sister. Is someone trying to take her team out of the running for a gaming tournament? Or have they uncovered a secret from their past, and wants them to pay for what they did... Author of *All Your Twisted Secrets*, Diana Urban's explosive sophomore novel, *These Deadly Games*, is a must-read, propulsive YA thriller with deadly stakes,

stunning twists, and a shocking ending you'll never forget—perfect for fans of I Know What You Did Last Summer and One of Us Is Lying. A serial killer lures a beautiful FBI agent into high stakes game of life and death in this romantic thriller by the New York Times bestselling author. The game is simple: he is the Hunter; they are the Prey. He gives them a chance to escape. To run. To hide. To outsmart him. But eventually, he catches them. And that's when the game gets really terrifying . . . Private investigator Griffin Powell and FBI agent Nicole Baxter know a lot about serial killers—they took one down together. But

this new killer likes playing games with Nic and Griff. Every unsolvable clue, every posed victim, every taunting phone call—it's all part of his plan. But now the Hunter is changing the rules . . . The brutal psychopath needs a worthy adversary. To him, Nicole is the most precious prey of all. And he won't stop until he gets his chance to hunt her down. Now, with his partner in a killer's sights, Griff is playing for the biggest stakes of his life. A teen girl version of Dexter meets the high stakes danger and mystery of The Girl with the Dragon Tattoo in this “unique, beautifully twisted, and rich” (#1 New York Times bestselling author, Jennifer L.

Armentrout) debut. Lane is a typical teenager. Loving family. Good grades. After-school job at the local animal hospital. Martial arts enthusiast. But her secret obsession is studying serial killers. She understands them, knows what makes them tick. Why? Because she might be one herself. Lane channels her dark impulses by hunting criminals and delivering justice when the law fails. The vigilantism stops shy of murder, but with each visceral rush, the line of self-control blurs. And when a young preschool teacher goes missing—and returns in pieces—Lane gets a little too excited about tracking down “the Decapitator,” the vicious

serial murderer who has come to her hometown. As she gets dangerously caught up in a web of lies about her own past, Lane realizes she is no longer invisible or safe. Especially after the Decapitator contacts her directly. Now she needs to use her unique talents to find the true killer's identity before she—or someone she loves—becomes the next victim... Unraveling a twenty-five-year tale of multiple murder and medical deception, *The Death of Innocents* is a work of first-rate journalism told with the compelling narrative drive of a mystery novel. More than just a true-crime story, it is the stunning expose of spurious science that

sent medical researchers in the wrong direction--and nearly allowed a murderer to go unpunished. On July 28, 1971, a two-and-a-half-month-old baby named Noah Hoyt died in his trailer home in a rural hamlet of upstate New York. He was the fifth child of Waneta and Tim Hoyt to die suddenly in the space of seven years. People certainly talked, but Waneta spoke vaguely of "crib death," and over time the talk faded. Nearly two decades later a district attorney in Syracuse, New York, was alerted to a landmark paper in the literature on Sudden Infant Death Syndrome--SIDS--that had been published in a prestigious medical journal

back in 1972. Written by a prominent researcher at a Syracuse medical center, the article described a family in which five children had died suddenly without explanation. The D.A. was convinced that something about this account was very wrong. An intensive quest by a team of investigators came to a climax in the spring of 1995, in a dramatic multiple-murder trial that made headlines nationwide. But this book is not only a vivid account of infanticide revealed; it is also a riveting medical detective story. That journal article had legitimized the deaths of the last two babies by theorizing a cause for the mystery of SIDS,

suggesting it could be predicted and prevented, and fostering the presumption that SIDS runs in families. More than two decades of multimillion-dollar studies have failed to confirm any of these widely accepted premises. How all this happened--could have happened--is a compelling story of high-stakes medical research in action. And the enigma of familial SIDS has given rise to a special and terrible irony. There is today a maxim in forensic pathology: One unexplained infant death in a family is SIDS. Two is very suspicious. Three is homicide. Lane resumes her role as the Masked Savior, but an admirer becomes a copycat, assaulting

the defenseless. Lane also suspects that someone who knows her secrets is spying on her. Pizza you'll die for! Toby McGill dreams of becoming a world-famous chef, but up until now, his only experience has been watching the Food Network. When Toby lands a summer job at Killer Pizza, where pies like The Monstrosity and The Frankensausage are on the menu, things seem perfect. His coworkers, Annabel and Strobe, are cool, and Toby loves being part of a team. But none of them are prepared for what's really going on at Killer Pizza: It's a front for a monster-hunting organization! Learning to cook pizzas is one thing, but

killing hideously terrifying monsters? That's a whole other story. Still, if Toby quits Killer Pizza, will monsters take over his town? Greg Taylor's Killer Pizza is a humorous and fast-paced read that R.L. Stine calls "a hot slice of horror that I couldn't put down!" 'One of the great series of British crime fiction' The Times From multi-million-copy number one bestseller Mark Billingham comes a twisting, unbearably gripping DI Tom Thorne and Nicola Tanner thriller inspired by a dramatic real-life case. How do you catch a killer who is yet to kill? We've all heard about the signs: coldness, cruelty, lack of empathy. DI Tom Thorne knows the

psychological profile of a psychopath all too well, so when pets start disappearing on suburban London streets, he sees a chance to stop a future murderer. Others are less convinced, so Thorne relies on DI Nicola Tanner to help him solve the case, before the culprit starts hunting people. The journey brings them face to face with a killer who will tear their lives apart. ----- 'A new Mark Billingham is always a treat and *The Killing Habit* hurls the reader straight into the action. Thoroughly enjoyable for being so very real' SUSIE STEINER 'Mark Billingham on superb form. A finely paced and polished procedural, with twists and

turns galore and an ending that will chill your soul' CARA HUNTER 'An unconventional literary superstar' MAIL ON SUNDAY 'As ever with Billingham, a rich cast of characters and tense situations are marshalled with panache, leading to a final terrifying encounter' FINANCIAL TIMES 'Thorne is a terrific invention' IRISH INDEPENDENT _____ Nearly 45 years in the business and still rockin'. *The Story Of UFO - A Genuine Rock Phenomenon* In the spirit of *Bringing Down the House* and *The Wolf of Wall Street*, "an engrossing and often hilarious behind-the-scenes look at the characters, compulsions, and chaos inside

the fantasy sports gold rush. It's the perfect meld of a sports and business book, engagingly written like a fun, page-turning novel" (*The Wall Street Journal*). Daniel Barbarisi quit his job as a New York Yankees beat writer and began a quest to join the top one percent of Daily Fantasy Sports ("DFS") players, the so-called "sharks," in hopes to discover the secrets behind this phenomenon—and potentially make some money along the way. DFS is fantasy sports on steroids. It's the domain of bitter rivals FanDuel and DraftKings, online juggernauts who turned a legal loophole into a billion-dollar industry by allowing sports fans to bet piles of cash

constructing fantasy teams. Yet as Barbarisi quickly realizes, what should have been a fun companion to casual sports viewing was instead a ferocious environment infested with sharks, a top tier of pros wielding complex algorithms, drafting hundreds of lineups, and wagering six figures daily as they bludgeon unsuspecting amateur “fish.” Barbarisi embeds himself inside the world of DFS, befriending and joining its rogue’s gallery as he tries to beat them at their own game. In a work equal parts adventure and rigorously reported investigation, Barbarisi wades into this chaotic industry at the very moment its existence is

threatened by lawmakers sick of its Wild West atmosphere and pushy advertising. All their money made FanDuel and DraftKings seem invincible; but, as Barbarisi reports, they made plenty of dubious—perhaps even scandalous—moves as they vied for market supremacy. In *Dueling with Kings*, Barbarisi uncovers the tumultuous inside story of DFS, all while capturing its peculiar cast of characters, from wide-eyed newly minted millionaires, to sun-starved math geeks, to bros living an endless frat party of keggers and Playboy Bunnies. Can he outwit them all and make it to the top? In this “heart-stopping”

(Publishers Weekly) page-turner from New York Times bestselling author J.A. Jance, Ali Reynolds finds herself working against the police to clear two innocent names. Former reporter Ali Reynolds finds herself working against the police to add up the clues that connect one frightened teenager, two dead bodies, and \$300,000...with the body count rising. Hired to investigate the grisly murder of a gold-digging divorcée on behalf of the woman accused of the crime, Ali Reynolds is immediately drawn to the case of the secretive teenager who found the body. A. J. Sanders was in the Camp Verde desert to retrieve a mystery box buried

by his absent father—a box that turns out to be filled with hundreds of thousands of dollars' worth of poker chips. When a second body is found in the desert, it seems the three cases are more closely related than anyone could have imagined. Though Ali's friends in the police department grow increasingly irritated by her involvement, Ali must stop a ruthless killer from claiming another victim...before she is lost in this game of deadly stakes. "A full-throttle, first-person account of the treasure hunt set in motion by Forest Fenn—an eccentric art dealer and, some would say, robber baron--in 2010 that lasted a full decade and became the stuff of

contemporary legend. When Forest Fenn was told he was going to die, he hid a chest full of jewels and gold in the wilderness and published a poem that contained a series of clues about the treasure's secret location. But he didn't die, and he wouldn't reveal the location. The wild hunt went on for another ten years. Daniel Barbarisi first learned of Fenn's hunt in 2017 when a friend began decoding the poem and convinced Barbarisi to catalogue his search. What began as a great story documenting the history of Fenn's treasure hunt--the rumors, characters, and pitfalls--quickly turned into a personal quest, as Barbarisi

found himself on a sometimes reckless and possibly dead-end path, despite having a family at home. Over the course of the next three years, several searchers would die, endless controversies would erupt, and one anonymous unknown would find the ultimate prize. Rich with mystery, danger, and break-neck action, Barbarisi's account of the imagination and drive of desire, of obsession, and of a particularly unbridled adventure is pure gold on the page"-- On a notorious stretch of highway rife with serial killers, new victims are appearing, their cars crashed off the road by a reckless killer, their bodies missing. What madness drives this serial

killer? And can FBI Special Agent Rylie Wolf uncover the pattern and catch him before he disappears for good? In **CAUGHT YOU** (A Rylie Wolf FBI Suspense Thriller—Book Two), Rylie, still haunted by a near miss with a murderer during her childhood, tries to avoid facing her past, while hunting down this new killer. When the case leads her down an endless rabbit hole, she's forced to look for answers in unlikely places, even turning to people she hoped to never speak to again. But she can't open up to her partner about what happened—and the clock is ticking before this killer strikes again. In a high-stakes game of cat-and-mouse, can

Rylie battle her demons and piece together the answers in time? Or will her demons drive her over the edge? A complex psychological crime thriller full of twists and turns and packed with heart-pounding suspense, the **RYLIE WOLF** mystery series will make you fall in love with a brilliant new female protagonist and keep you turning pages late into the night. It is a perfect addition for fans of Robert Dugoni, Rachel Caine, Melinda Leigh or Mary Burton. Books #3-#6 in the series—**SEE YOU, WANT YOU, TAKE YOU, and DARE YOU**—are now also available. This first novel kicks off a new series based on the hit show on NBC's fast-paced, sexy drama

that follows an elite Las Vegas surveillance team charged with maintaining one of Sin City's largest resorts and casinos. Original. "As Bringing Down the House did for card counters and Positively Fifth Street did for poker players, Daniel Barbarisi does for Daily Fantasy Sports fans in this leap down the rabbit hole of America's latest obsession"--From USA TODAY bestselling author Elizabeth Goddard When hiding is no longer an option, she must go on the run. Someone's infiltrated the witness protection program with murder in mind—and Chasey Cook is the next victim. Chasey gave up everything to go into WITSEC, including a

budding relationship with deputy US marshal Ben Bradley, but now she must rely on him to shield her. With a ruthless killer tracking them, can Chasey trust Ben with her life...knowing her heart will pay the price? From Love Inspired Suspense: Courage. Danger. Faith. A MOUNT SHASTA SECRETS NOVEL Cutthroat is the name of the game on the electronic frontier. It requires an amoral flexibility with no allies, just alliances; no team loyalties, just self-interest. Strategy forms and dissolves with every play; a smile on the face may mean a knife in the back. In the next round, the players switch sides and do it again. Billions of dollars are at

stake. Featuring a bitter struggle between Rupert Murdoch and John Malone, and a supporting cast that includes AJ Gore, Ted Turner, and Bill Gates, author Stephen Keating uses one particular mega-deal that went terribly wrong to reveal how these corporate titans flex market power, crush competition and reap the profits. In 1997, Murdoch's News Corp. joined forces with EchoStar, Charlie Ergen's upstart company, to create a satellite-TV powerhouse -- nicknamed Deathstar. They planned to launch a cosmic armada of seven satellites that would deliver several hundred TV channels, internet, and retail services to millions of

subscribers. How this deal challenged the entrenched cable-TV monopoly before it came crashing down to earth exposes the influence exerted by and through money, power, and political dynamics among the corporate players fighting to rule the communications world. The roots of this dramatic business conflict are revealed through the separate evolution -- and eventual collision -- of cable and satellite TV technologies. Cutthroat is the perfect book for anyone who enjoyed Barbarians at the Gate and Den of Thieves. A Pushcart Prize-winning writer traces the efforts of master antiques dealer Curt Avery to discover valuable and

historically relevant items at flea markets, in a report on flea-market culture that also traces Avery's unlikely successes. 20,000 first printing. A classic Lynette Eason story of faith, family and danger Tragedy strikes Palmetto Deaf School—twice. With one student murdered and another missing, it's up to homicide detective Catelyn Clark to find the killer—and probable kidnapper—"fast." She'll even work with her ex-boyfriend, FBI agent Joseph Santino, to solve the case...while keeping her distance. Relationships between cops never work; her parents taught her that. They also taught her that the only

one she can rely on is herself. But when the killer starts targeting Catelyn, it's only by opening her heart to faith—and love—that she can finally bring the silent fury to an end. A Silent Fury: Book 2 of the High Stakes trilogy Book 1: A Silent Terror Book 2: A Silent Fury Book 3: A Silent Pursuit (Originally published in 2009) The 1980's cult classic, Compton Crook Award Winner, now remastered with never-before-seen added material Two hundred years after a nuclear apocalypse forced humanity to flee earth, humans still remember the most feared warriors of that planet - the Paratwa. These are genetically modified killers who occupy

two bodies controlled by one vicious mind. The legendary Paratwa named Reemul, known as the Liege-Killer, was the strongest of them all. Now someone has revived Reemul from stasis and sent him to terrorize the peaceful orbital colonies of Earth. Is this an isolated incident, or has the one who unleashed this terrible power announced a gambit for control over the entire human race? File Under: Science Fiction [New Classic | High Stakes | Defrosted | Double Trouble] High Stakes is the second book in Meg Cabot's thrilling The Mediator series, followed by Mean Spirits, Young Blood, Grave Doubts and Heaven Sent. Suze's new life in

California is pretty cool. There are the pool parties, the new friends, and the fact that the hottest ghost in history happens to live in her bedroom. But when a screaming spirit appears at the end of her bed, Suze is thrown on to the trail of a murderer. All the clues lead to the freaky father of Tad Beaumont, the cutest boy in school . . . and the only guy who's ever asked Suze out. Not only is her potential beau's dad probably a killer, but he also seems be some kind of vampire. No one said that life as a mediator was going to be simple. But this is getting ridiculous . . . "McEvoy deftly manages his busy plot while liberally spicing it with

intriguing racing stories."—Publishers Weekly Irreverent Jack Doyle has worn many hats, one or two blown off by his irrepressible temper. A former boxer, advertising rep, and publicity man, Jack's midlife career has been shaped by the world of thoroughbred horse racing and dark deeds therein. So it's no surprise when two FBI agents he's sleuthed with before pressure him to identify an animal activist who is carrying out "mercy killings" of retired race horses donated to Midwestern university veterinary schools. Plus two Chicago senior citizens are being threatened by an imperious Internet millionaire intent on owning

their beloved horse. Then a call comes from Ireland where the life of Jack's friend Niall Hanratty, the noted bookmaker, is under attack from an unknown enemy. Meanwhile Doyle's nemesis Harvey Rexroth, the rapacious media mogul Jack helped put into federal prison, enlists a fellow inmate, a Mobconnected attorney, to have Jack killed. Carrying out this contract will be W. D. Wiems, a brilliant, frighteningly warped University of Kansas student who has eagerly launched a career of murder for hire. Fast tracking, Jack visits vet schools while juggling pieces of investigations near home and traveling twice to Ireland

where his quest to find Hanratty's enemy takes him to Kinsale, Connemara, and a Dublin slum. Meanwhile the vicious contract killer is, all unknown, tracking Jack... A deaf woman navigates a maze of danger and intrigue in the first High Stakes thriller from the USA Today–bestselling author of *A Silent Fury*. When Marianna Santino's roommate is killed, Detective Ethan O'Hara can't fathom the motive. Then he realizes the deaf teacher was the intended target. Marianna must have something the murderer desperately wants. But what? Digging for the truth, the guarded cop tries to learn everything he can about

Marianna. Her world. Her family. Her beauty, faith and fierce independence. In spite of himself, Ethan finds that he can't keep his feelings at bay. Soon, he's willing to risk everything—including his heart—to lay the silent terror stalking Marianna to rest. A notorious serial killer is back. An edgy female police detective. An ambitious FBI special agent. Together they are at the heart of the ticking-clock investigation into a psychopathic murderer. The bond they forge in this crucible sets the stage for high-stakes suspense. Detective Kara Quinn is on an early morning jog in Liberty Lake when she discovers the body of a young

nurse. The manner of death reveals a highly controlled rage. Word quickly reaches FBI special agent Matt Costa that this murder fits the profile of the elusive Triple Killer, who compulsively strikes every three years, targeting three victims, each three days apart. This time they have a chance to stop him. But only if they can decipher the meaning of his pattern to figure out who he is and where he is hiding before he strikes again. The stakes have never been higher, because if they fail, one of their own team may be next... With shades of Serial and Making a Murderer this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal

Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in

Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, *Good Girl, Bad Blood!* "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author Soon to be a Showtime documentary, *Murder in the Bayou* is a New York Times bestselling chronicle of a high-stakes investigation into the murders of eight women in a troubled Southern parish that is "part murder case, part corruption exposé, and part Louisiana noir" (New York magazine). Between 2005 and 2009, the bodies of eight women were discovered in Jennings, Louisiana, a bayou

town of 10,000 in the Jefferson Davis parish. The women came to be known as the Jeff Davis 8, and local law enforcement officials were quick to pursue a serial killer theory, stirring a wave of panic across Jennings' class-divided neighborhoods. The Jeff Davis 8 had been among society's most vulnerable—impoverished, abused, and mired with mental illness. They engaged in sex work as a means of survival. And their underworld activity frequently occurred at a decrepit motel called the Boudreaux Inn. As the cases went unsolved, the community began to look inward. Rumors of police corruption and evidence tampering, of

collusion between street and shield, cast the serial killer theory into doubt. But what was really going on in the humid rooms of the Boudreaux Inn? Why were crimes going unsolved and police officers being indicted? What had the eight women known? And could anything be done to stop the bloodshed? Mixing muckraking research and immersive journalism over the course of a five-year investigation, Ethan Brown reviewed thousands of pages of previously unseen homicide files to posit what happened during each woman's final hours delivering a true crime tale that is "mesmerizing" (Rolling Stone) and "explosive" (Huffington

Post). "Brown is a man on a mission...he gives the victims more respectful attention than they probably got in real life" (The New York Times). "A must-read for true-crime fans" (Publishers Weekly, starred review), with a new afterword, *Murder in the Bayou* is the story of an American town buckling under the dark forces of poverty, race, and class division—and a lightning rod for justice for the daughters it lost. *A Silent Pursuit* The conclusion to the fan favorite *High Stakes* trilogy by Lynette Eason She'd been told her fiancé died in a military training accident, but Gina Santino's gut told her otherwise. Still, she never

imagined his killers would come after her. Now she is dodging bullets and running for her own life, not sure who to trust. Her fiancé had left specific instructions for her to contact fellow U.S. Army Ranger Ian Masterson should anything happen to him. But how could she trust a man who abandoned his team years ago? With no other choice, Gina must place her life in his hands in order to stay alive long enough to find the truth. *A Silent Pursuit: Book 3 of the High Stakes* trilogy (Originally published in 2009) An Indiana detective is out to stop a killer for hire who tortures for pleasure in this crime thriller from an author who "writes as

only a cop can" (Nelson DeMille). In Detective Jack Murphy's experience, the killers who blend in are the hardest to catch. But none are as elusive—or efficient—as Mr. Smith. A man of average height, weight and build, Mr. Smith is as ordinary as his name. Which makes it easy for him to get close to his targets. And that's when he reveals how uniquely twisted he truly is. Mr. Smith kills without conscience—and with apparent pleasure. Using every weapon at his disposal, he's raising the stakes in a global game of terror and death. Mr. Smith is no ordinary killer. But Jack Murphy is no ordinary cop . . . Trust can be an unaffordable

luxury Detective Erin O'Reilly's world is in chaos. After a deadly ambush leaves her boyfriend fighting for his life, she finds herself distrusted by gangsters and fellow police officers alike. She's walking a fine line between cops and criminals, making her way into a dangerous undercover assignment. But no sooner has she started than a mobster is murdered. All the evidence points to one of Erin's few allies as the killer. Is he innocent? And if he is, can she prove it? The personal stakes have never been higher for Erin. With her K-9 partner Rolf the only one she can truly count on, she must find a path through a maze of half-truths

and lies. In the underworld, perception is more important than reality in a lethal game where the prize is survival. Can Erin's wits and Rolf's instincts find the truth, or will they lose themselves in the labyrinth? Robert Mykle shows how the residents of the Everglades believed prematurely that they had tamed nature, and how racial attitudes at the time compounded the disaster. The author reveals the story of the rise of daily fantasy sports and the brilliant entrepreneurs disrupting the way fans consume sports. Kit Kenyon is a first-rate hostage negotiator. Noah Lambert is a good detective with excellent instincts. The new partners

have hardly had time to get used to each other when they are thrown into a grisly murder case. As evidence mounts up and more victims are found, Kit and Noah realize they are on the hunt for a serial killer. The problem is, he's hunting one of them too. With nail-biting suspense, clever plot twists, and a hint of sweet romance, *A Killer Among Us* is the latest thriller from Lynette Eason. It will keep readers up late as they race to discover the killer- and whether Kit and Noah will live to tell about it.
