Fearless Like Us is an MFM Romance and Book 9 in the Like Us Series. I HAVE A BAD REPUTATION. Call me what you want: Bad Boy Next Door. Trouble. That Kid Who Can't Do Anything Right.

When Willow moves into my neighborhood, nothing should have happened. She's geeky. Shy. A true wallflower. Willow is a good girl. Too good for me. And how the

hell was I supposed to know that she's related to Loren Hale--yeah, that douchebag celebrity that lives on my street. The same guy I've been pranking by spray painting vulgar words on his mailbox and worse. Much worse. Don't ask me why I do the things I do. Don't ask me why it had to be her. I'm cursed. Simple as that. But here's the thing about people who are cursed--they break everything they touch. And yet. . .I still want to touch her. In the same vein as Jandy Nelson and Gayle Forman comes a novel from the gifted author of *Faking Normal*, Courtney C. Stevens, about hope and courage and the struggle to overcome the pain of loss. Sadie Kingston is living in the aftermath. A year after surviving a car accident that killed her friend Trent and left her body and face scarred, she can't move forward. The only person who seems to understand her is Trent's brother, Max. As Sadie begins to fall for Max, she's unsure if she is truly healed enough to be with him. But Max looks at her scars and doesn't shy away. And Max knows about the list she writes in the sand at the beach every night, the list of things that Sadie knows she must accomplish before she can move on from the accident. And while he can help her with number six (kiss someone without flinching), she knows she's on her own with number three (forgive Gina and Gray) and the rest of the seemingly impossible tasks that must be made possible before she can live in the now again. The problem: after being swept into the public eye and battling their addictions, they're not sure what the worst is anymore. In a sea of many changes—including Ryke & Daisy living with them—Lily realizes that the best part of her fluctuating hormones might just be the worst. Her sex drive is out of control. Loren knows that she's insatiable, but he's not giving up on her. She's too

much a part of him. And as he carries more and more responsibility, some of the people that he loves doubt his resolve. In the conclusion to their love story, Lily & Lo stand side-by-side to fight, one last time, for their happily ever after. HOW CAN IT BE WRONG IF IT FEELS SO GOOD Dating an American princess comes with a massive amount of baggage—all of which I'm willing to carry strapped on my back in quicksand and through seven hells. But Jane Cobalt's baggage, I'm unprepared for. It comes in the form of her five equally famous and notoriously hard-to-please brothers. I want Jane. Completely. Unconditionally. But when there's a trip scheduled that I can't be a part of, I only have one option. It's immoral. Something I'd never consider until now. But, hell, there's got to be some perks to being a twin. So I'm doing it. I'm switching places with my brother. Done and done. It should have been easy. There were little consequences. Until the storm hit. I WILL RUIN HER. You know that old saying "opposites attract" – well, no one ever tells you what happens after the attraction part. Do opposites stick together forever? Or do they just self-combust? And then there's the third option: someone or something forces them apart. Look, the third option isn't happening to us. I will end the bastard who thinks he can keep me from her. I only need to worry about one thing. . . Epic, soul-crushing self-destruction. Because I screw up everything I touch. Even her. A magnetic young adult novel about friendship, rivalry and new love. Thora wants to perform with him, but when someone like Nikolai attracts the spotlight wherever he goes--Thora fears that she's destined to be just background to his spellbinding show. This sexy and exhilarating New Adult Romance can best be described as Cirque du Soleil meets the steamy, athletic romance of Center Stage. In the third book in New York Times and USA Today bestselling author Cora Carmack's Rusk University series, a good girl is about to find out what happens when she creates the ultimate college bucket list and she sets her sights on a jock. First person in her family to go to college? CHECK. Straight A's? CHECK. On track to graduate early? CHECK. Social life?yeah, about that... With just a few weeks until she graduates, Antonella DeLuca's beginning to worry that maybe she hasn't had the full college experience. (Okay... Scratch that. She knows she hasn't had the full college experience). So Nell does what a smart, dedicated girl like herself does best. She makes a "to do" list of normal college activities. Item #1? Hook up with a jock. Rusk University wide receiver Mateo Torres practically wrote the playbook for normal college living. When he's not on the field, he excels at partying, girls, and more partying. As long as he keeps things light and easy, it's impossible to get hurt... again. But something about the quiet, shy, sexy-as-hell Nell gets under his skin, and when he learns about her list, he makes it his mission to help her complete it.

Torres is the definition of confident (And sexy. And wild), and he opens up a side of Nell that she's never known. But as they begin to check off each crazy, exciting, normal item, Nell finds that her frivolous list leads to something more serious than she bargained for. And while Torres is used to taking risks on the field, he has to decide if he's willing to take the chance when it's more than just a game. Together they will have to decide if what they have is just part of the experiment or a chance at something real.
