**BIBLICAL STUDIES** - When a Bible Student or Seminarian begins to lay the basic foundations of the Old and New Testament, one of the first assignments is to provide a book-by-book summary of each biblical book. This is a basic exercise, but like every good foundation, it's one that can't be skipped. An understanding of the larger contexts and contents of each biblical book not only aids in understanding of individual passages, but also reinforces our understanding of all of Scripture. **PERSONAL NOTES** - This workbook is designed for you to work through each of the books of the Bible and produce your own personal book summaries. You have the chance to reflect on authorship, theological themes, as well as provide a basic outline of each book of the Bible. As you work through the Bible, you'll be able to trace similar theological themes and whole Bible connections. **SIMPLE WORKBOOK** - What you'll find within this book is a simple template that will allow you to work through each of the book for the Bible in a way that deepens your understanding. Also, as you fill up this book you will grow in your understanding of each book of the Bible, and the larger message of the Bible as a whole. **ADDITIONAL RESOURCES** - In the back of this book I've included two appendices. The first provides my recommended commentaries on each book of the Bible. The second provides my recommended books with regards to Old Testament Introductions, New Testament Introductions, Biblical Theology, and Hermeneutics. This is a really simple workbook, and it's one that will require you to put in a lot of work. But, the outcome will be a deeper understanding of God, specific books of the Bible, and the whole Bible. The four series set of Sunday School Activity Books to Accompany the Dole Bible Study Notes was written and illustrated largely by Louise Dole Woofenden, daughter of Anita S. Dole, who wrote the Bible Study Notes. Assisting her in this task were Betty Hill, who contributed ideas and material for the activities, and Louise's husband Bill, who was the Editor of the six volume 1976-1979 hardcover edition of the Dole Bible Study Notes. That set has since been reprinted in paperback by the Swedenborg Foundation. Though some of the materials and techniques described and used in these Activity Books are now out of date and may not be easily reproducible today, overall they are a rich source of crafts projects for Religious Education teachers and parents who want to engage children in hands-on learning of the Bible stories covered in the Dole Bible Study Notes. This new edition of the Activity Books is a facsimile reprint of the original four volume set. Yearly readings and Activity Guide for the School of Kingdom Ministry.

Learning God's Love Language Workbook is a Hebrew word study course that you can use in your personal Bible study. Learn Hebrew almost immediately, without years of memorization and other Hebrew language courses. There is an old proverb, "Give a man a fish and you feed him for a day; teach a man to fish, and you feed him for a lifetime." This comes from an even older proverb; "It is more worthwhile to teach someone to do something than to do it for him." My books have been feeding Christians for a day, that is, I have been doing Hebrew word studies every day for that I send out via e-mail and post online. Now I can now teach you to fish, to do your own word studies, so you will be fed for a lifetime. The Learning God's Love Language Workbook is the companion to my larger work, Learning God's Love Language. This book was previously published under the title Beyond the Hebrew Lexicon. This edition has been completely updated and edited to correct typographical errors and make the text more accurate and understandable. The new typeset in this edition helps the Hebrew alphabet stand out and makes the characters easily recognizable. Learning God's Love Language Workbook will bring you to the place where you can do your own Hebrew word study. Mine the riches of God's Word in the original language by learning the meanings of each Hebrew letter and uncovering the built-in commentary behind each Hebrew word. And by doing so, enrich your understanding of God's Word through His ancient love language. The Answer Key is the teaching tool for The Chronological Bible Workbook. This publication provides a way to check the accuracy of answers for those who want to use The Chronological Bible Workbook in a small group, home school or traditional bible class setting. The charts are all completed and the same links to maps and photos are provided. Additional information has also been included to help stimulate class discussion. Go the distance in the life of faith. Life is like a rollercoaster. One day it seems that everything in life is good, and the next day it can feel like everything is falling apart. Then there are those in between days when we're coasting along without much thought to the highs or lows. The prophet Elijah experienced this rollercoaster ride as well. One moment he was hiding out in the wilderness during a famine, being fed by the ravens, and the next he was on the mountaintop where God showed up in a powerful way with fire and then rain. Even Elijah grew weary of all the ups and downs, telling God, "I have had enough" (1 Kings 19:4). He needed spiritual stamina in order to keep on going and fulfill all the plans God had for his life. We do too! In this six-week study grounded in 1 and 2 Kings, we will examine the life of the prophet Elijah, an ordinary man who did extraordinary things for God in the midst of the highs and lows of life. We'll learn some of the spiritual stamina secrets that helped him to hold on and persevere in faith, including practical habits related to making decisions, caring for the soul, accepting his circumstances, mentoring, and finishing well—which was his ultimate legacy. Whether we're currently in a mountaintop season where we're experiencing God's power and blessing, a valley season where we feel like running away, or somewhere in between, Elijah's life will inspire us to go the distance in the life of faith. Best of all, his story will challenge us but not shame us, because we'll discover that Elijah was just as human as we are. He doubted and struggled just as we do, but ultimately, he chose to believe God. As we study his life, we will grow in faith and develop spiritual stamina that will help us not only to survive but actually thrive in every season.

**Bible Study Features:** Examine the life of the prophet Elijah. Learn practical disciplines that give us spiritual stamina for every season in life. Grow in faith and be inspired by an ordinary man who did extraordinary things for God. Be enabled to not just survive but thrive in the midst of the ups and downs of life. The participant workbook, to be used along with the study's DVD, includes five days of lessons for each week, combining study of Scripture with personal reflection, application, and prayer. Focusing on pastoral leadership within local churches or groups of churches, Derek Tidball provides a comprehensive survey of the variety of ministry models and patterns found in the New Testament with applications for today's ministry. A Companion WORKBOOK to Help You Discover the Great Story of Scripture and Find Your Place in It Living God's Word is your pathway to read the Bible as it was meant to be read: as God's Great Story. This WORKBOOK is designed for use alongside the second edition of Living God's Word. While the textbook helps you see the big picture of what God is doing throughout the Bible, the WORKBOOK lets you reflect on and internalize what you are reading. Many Christians resolve to study the Bible more fervently, but often struggle to grasp the progression of Scripture as a whole. They encounter various passages each week through unrelated readings, studies, and sermons and it all feels disconnected. But once they see the Bible as God's Great Story, they begin to understand how it all fits together and they start see how their own lives fit into what God has done and is doing in the world. In Living God's Word, Second Edition, New Testament scholar J. Scott Duvall and Old Testament expert J. Daniel Hays help Christians consider how their lives can be integrated into the story of the Bible, thus enabling them to live faithfully in deep and important ways. Living God's Word explores the entire Bible through broad themes that trace the progression of God's redemptive plan. Each section deals with a certain portion of Scripture's story and includes: Reading/listening preparation Explanation Summary Observations about theological significance Connections to the Great Story Written assignments for further study These features--combined with the authors' engaging style--make Living God's Word an ideal book for those who want to understand the Bible better, for introductory college courses, Sunday school electives, or small group study. When used alongside the textbook, this workbook is the ideal resource for anyone looking to better understand how the entire Bible fits together as God's Great Story. This WORKBOOK accompanies Wayne Grudem's bestselling Bible Doctrine and features student-friendly review material and exercises. A need was felt in many high school Bible classes for a method of giving notes and assignment questions quickly, thereby leaving more of the valuable classroom time for explanations, discussions, and student participation. This workbook was first compiled to meet that need. This workbook has also been used by various age groups in churches and colleges and by individuals desiring a better understanding of God's word. This is in no sense a textbook. It is hoped that no one will make the completion of the workbook a goal in itself but that the questions and notes may stimulate and guide each student in searching and knowing the BIBLE. The workbook is planned for a high school course which meets every day for a semester. The workbook has been effectively used in weekly Adult Bible classes by dividing it into four units of twelve lessons each. Because of this limited time in which to cover the Old Testament the problem of what to assign for reading and what to omit looms large. By the name of each book or by the questions on the book there are listed suggestive chapters for reading. The plan of the course is to study Israel's history chronologically. David's and Solomon's writings are fitted in with their lives and the prophets mentioned as they appear in the history of the nation. The course is so arranged as to be flexible according to the individual teacher's emphasis. Some may wish to end their course without completing the Old Testament history but most teachers feel that a brief glance at the whole is profitable in giving the students a rounded view of God's dealing with His chosen people. This book is not primarily for teachers but for students. It is factual rather than inspirational. The spiritual presentation of the course has been left for each individual teacher to present according to the daily needs of the class. It is hoped that the facts and questions may furnish a basis for making many vital applications of the Old Testament to present-day living. In this second revision the sections on the kingdom period and the poetic books have been enlarged. The place of Christ in the Old Testament, especially in prophecy, has been set forth more clearly. There are additional notes in the material bringing ones attention to the progressive unfolding of God's plan of redemption. The following words from 1 Timothy 4:12-16 were sent to me at the beginning of my work of Bible teaching. May the stimulation this passage must have been years ago to Timothy, and more recently to myself, be yours also. "Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity. Till I come, give attendance to reading, to exhortation, to doctrine. Neglect not the gift that is in thee, which was given thee by prophecy, with the laying on of hands of the presbytery. Meditate upon these things; give thyself wholly to them; that thy profiting may appear to all. Take heed unto thyself, and unto the doctrine; continue in them: for in doing this thou shalt both save thyself, and them that hear thee." CATHERINE B. WALKER Students need to know what the Bible says before they can truly think about it. They need to understand it in context to grasp God's loving relationship with His people and what that looks like. One challenge is that the Bible is long and contains some difficult books for middle school students to read. In this program the Bible is broken into 3 parts: Old Testament, Gospels and Acts, and Paul's Journeys and the Epistles. Due to the breadth of the Old Testament, the readings are developed from the 70 Most Important Events in the Bible. Due to the redundancy of the synoptic gospels, the readings are taken from portions of each gospel with the similar passages in other books noted. Because John is different in both tone and events, it is singled out and studied on its own. As the epistles are written during the missionary

journeys of Paul, they are included in their own workbook along with those journeys. Until this point, students have heard and talked about the gospel accounts in Sunday School, but have never had the opportunity to read about Jesus ministry. The Level I course, Gospels and Acts Bible Reading Plan for middle school/confirmation, is a one year, 33 week course. The questions are primarily written to give students an understanding of what Jesus was telling the people. One needs to remember that moving from fulfilling laws to having Jesus fulfill the law was quite a change for the Israelites. Students should be able to relate the events of Jesus' ministry back to the educator with accuracy, be able to discuss the events, as well as to be able to apply what they know about them in different ways. The questions are not meant to be all encompassing or theological in nature. They are meant to get students thinking about what they are reading and what's happening in each account. Help little ones learn numbers through Bible stories. Children will love connecting the dots with the help of pictures from the Old and New Testaments and then coloring the pictures. Each page contains a different story that will remind them of God's love and faithfulness and quizzes with a question about scripture, followed by the implication for each person. For example, "What does God in Psalm 18:28 turn your darkness into?" with the bottom-of-the-page message: "Let your light shine!" Spiritual content, colorful illustrations, and surprising discoveries make these dot-to-dot puzzles a perfect fit for young learners. In completing each puzzle, your child will be practicing numerical order 1-25 while also sharpening fine motor skills and eye-hand coordination. Bible Dot-to-Dots! 1-25, a workbook from the Inspired Learning Series, is wonderful for parents, Sunday school instructors, and home and Christian educators. This workbook will quickly become a favorite resource for even your youngest learners. Its slim size makes it super for slipping into totes, backpacks, and luggage for a take-anywhere activity. Experience the ups and downs of His relationship with the Israelite nation culminating in her division, fall and exile. My friend and colleague Kris Vallotton is one of the best in the prophetic community to help shape, teach and model these 'Good News Prophets.' Thanks for honoring my generation's pioneering work and picking up the baton and carrying it forth!"--Dr. James Goll, founder, Encounters Network, Prayer Storm and GET eSchool "My friend Kris Vallotton has masterfully crafted this treatise, School of the Prophets, on the dynamics and framework of building a prophetic community in the 21st century. His life experience and seasoning in Christ have afforded the Spirit the opportunity to make him an influencer of influencers and a prophetic voice to the nations with a global footprint."--Mark J. Chironna, M.A., Ph.D.; Mark Chironna Ministries; Church on the Living Edge, Orlando, Florida "I love this book! As a person passionate to see the most desired gift in the New Testament (1 Corinthians 14:1) flourish all over the world, I would recommend this book wholesale. It clearly and biblically describes how to function in the New Testament gift of prophecy and articulates various kinds of biblical prophets. If one heeds its principles, it will give greater understanding and produce higher levels of maturity in prophetic ministry."--Stacey Campbell, founder, Canadian Prophetic Council; author, Ecstatic Prophecy "This is a must-read for all ministries. As an apostolic ministry, we recognize the gifts and callings that God has placed on the lives of those we pastor. Reading School of the Prophets has given us greater insight and understanding of how to help develop and prepare others to walk in their divine assignment. Kris Vallotton brings much clarity in what it means to be called in the office of a prophet and eliminates the fear of giving and receiving the prophetic."--Tony and Cynthia Brazelton, founders and pastors, Victory Christian Ministries International "Kris Vallotton's book reminds us that the heart of prophecy should be God's heart to build up, encourage and speak life. Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. I highly recommend this book and pray that it helps you to understand the prophetic and to 'call the gold' out of those around you."--Heidi Baker, Ph.D.; co-founder and director, Iris Global "As I read this book, I could hear the sound of an entire generation of voices emerge that will transform culture. Kris Vallotton is a father to these voices. School of the Prophets presents a practical methodology for prophetic community and a powerful manifesto for prophetic transformation in this generation."--Bob Hazlett, author, The

The authors uncover five key themes that promote healthy, sustainable ministry that lasts--spiritual formation, self-care, emotional and cultural intelligence, marriage and family, leadership and management. These themes are unpacked from the vantage point of ministry on the ground.
