The cult-y pocket-size field guide to the strange and intriguing secrets of the Mojave—its myths and legends, outcasts and oddballs, flora, fauna, and UFOs—becomes the definitive, oracular book of the desert For the past five years, Desert Oracle has existed as a quasi-mythical, quarterly periodical available to the very determined only by subscription or at the odd desert-town gas station or the occasional hipster boutique, its canary-yellow-covered, forty-four-page issues handed from one curious desert zealot to the next, word spreading faster than the printers could keep up with. It became a radio show, a podcast, a live performance. Now, for the first time—and including both classic and new, never-before-seen revelations—Desert Oracle has been bound between two hard covers and is available to you. Straight out of Joshua Tree, California, Desert Oracle is “The Voice of the Desert”: a field guide to the strange tales, singing sand dunes, sagebrush trails, artists and aliens, authors and oddballs, ghost towns and modern legends, musicians and mystics, scorpions and saguaros, out there in the sand. Desert Oracle is your companion at a roadside diner, around a campfire, in your tent or cabin (or high-rise apartment or suburban living room) as the wind and the coyotes howl outside at night. From journal entries of long-deceased adventurers to stray railroad ad copy, and musings on everything from desert flora, rumored cryptid sightings, and other paranormal phenomena, Ken Layne's Desert Oracle collects the weird and the wonderful of the American Southwest into a single, essential volume. -- A USA TODAY best-seller -- Brewmaster and town sweetheart Dani Dobson is officially declaring war against her hot, maddening new menace of a neighbor--and his shop. How the man manages to provoke her so much is beyond her. But he does, and really, she's just picking up the gauntlet he tosses her way. The terms of their little throwdown? Her business versus his in the arena of romance. And the stakes? Very likely, her heart. Chocolatier and town newcomer Luke Bradford loves his shop's new home. Partly because he couldn't ask for a better fresh start for both his professional and personal life, and partly (okay, mostly) because he gets to lock horns with the feisty beer-brewing beauty next door, and effectively push all her buttons on a fairly regular basis. To be fair, in his defense-- Just kidding. He has no defense. As far as the meddling matchmakers in this quirky little town are concerned, this is going to be their most unlikely (and interesting) pairing yet... "Violet Duke always writes such compelling, delightful characters who manage to pull you in and make you feel a part of their lives." -- #1 New York Times Bestselling Author Barbara Freethy ? AUTHOR NOTE ? Be forewarned, this slow-burn romcom is definitely sweeter (and longer) than my other books (but there is still some on-page steam, as well as a few curse words--no f-bombs though, per usual). A book about a brewmaster and chocolatier battling over Valentine's Day supremacy? Yep, it was a given I was going to go all-out on the feel-good romance for this one. :) So if you're in the mood for a light and fun love story (with some of my token laugh-and-cry Violet Duke-ness, of course) between two stubbornly romantic characters who work hard for their happily ever after, this is the book for you! xoxo ? V THE CACTUS CREEK SERIES Love, Chocolate, and Beer [Luke & Dani] Love, Diamonds, and Spades [Rylan & Quinn] Love, Tussles, and Takedowns [Hudson & Lia] Love, Exes, and Ohs [Isaac & Xoey] All the Cactus Creek books are standalone novels with feel-good HEAs. :) Enjoy! “High School. Two words that struck fear into the heart of every armless middle schooler I knew. Which was me. And like two people online.” The sequel to the critically acclaimed *Insignificant Events in the Life of a Cactus* follows Aven Green as she confronts yet another challenge: high school. “Those preparing to ‘slay the sucktastic beast known as high school’ will particularly appreciate this spirited read.” —Kirkus (Starred review) Just as Aven starts to feel comfortable in Stagecoach Pass, with her friends and schoolmates accustomed to her lack of “armage,” everything changes once again. She’s about to begin high school . . . with 3,000 new kids to stare at her. And no matter how much Aven tries to play it cool, nothing prepares her for the reality. In a year filled with confusion, humiliation, and just maybe love, can Aven manage to stay true to herself? From USA Today Bestselling Author Leigh Greenwood comes a historical Western romance filled with gritty cowboy heroes, strong-willed heroines, and a whole lot of heart in the Wild West. HE KNOWS SHE CAN NEVER BE HIS... Logan Holstock, oldest of three brothers orphaned on the Santa Fe Trail, has always been content knowing his brothers were alive and happy somewhere in the vast and brutal West-until he learns he may be dying. Certain he has little time left, Logan sets out to find them and end his days near a family he's never known...and stumbles across a strong yet vulnerable widow who makes him yearn for what can never be his. Logan knows he shouldn't love Sibyl Spencer-he couldn't bear leaving her a widow all over again. But as he finds himself drawn deeper into the lives of this small Western town, he can't escape the longing to find peace in her arms. When he discovers that his death sentence is anything but, Logan swears he will do whatever it takes to prove himself to the woman he loves...and show he

believes their love is worth fighting for. She's his best friend, and the woman he never stopped loving... To this day, Isaac McKnight still has no idea why the perfectly-imperfect-woman-for-him put an end to their relationship out of the blue. He made sure they stayed friends though. But now, it's a year later and he and XoeY are steadily getting sucked deeper into buddy-zone galaxy, with its dangerous proximity to watch-me-settle-down-with-someone-else abyss. That is...until one drunken confession changes everything. He's the world's greatest ex, and the man she can't risk losing... For XoeY Montenegro, history has taught her that sometimes, it's Prince Charming who does the vanishing. So, as far as tequila-fueled plans for her still-unrecovered love life go, a match-finding formula analyzing the exes responsible for her most epic 'ohs' seems brilliant. The only problem with her genius man-uation, however, is the one ex she never truly got over. Her best friend Isaac. "Every time I pick up one of Violet's stories, I know I'll be in for a heartfelt, emotional, and FUN read. Her heroes are just so swoony and sweet. Financial analyst Frankie McGee tells her uncle she'll do anything to help save the family business, but posing as a wrestling ring girl is not what she had in mind. But Frankie has no idea she'll meet the man of her dreams on the mats. Original. Mr. Turner's sophomore science class is a favorite among his high school students, with lively experiments and funny discussions-and he has made science even more exciting by awarding a seat on the school bus going to the Ghost Creek Day Camp for anyone who scores 100% on their final exam. Ghost Creek offers ATVs, hiking trails, archery, and more-with a competition to win two tickets to any venue, athletic or musical program the winner desires. It's what students work toward all year. Sarah has earned 100% on her final exam, and she and her friends are packed up and ready for fun! But first they have to survive the flash flood that tips over their school bus...and this is only the beginning of Sarah's summer adventures. From USA Today Bestselling Author Leigh Greenwood comes a historical Western romance filled with gritty cowboy heroes, strong-willed heroines, and a whole lot of heart in the Wild West. A STRANGER TO THE RESCUE Colby Blaine has been a loner his whole life. And he isn't about to change now. But that doesn't mean he can ignore people in trouble. When he rides up to an inexperienced wagon train under attack, he doesn't hesitate to jump into the fray. It's only after the raid that he really lands himself in hot water... Naomi Kessling is certainly grateful to Colby for saving her family and agreeing to lead their train to safer territory. But the man has an infuriating way of knowing just how to get under her skin-he asks too many questions about a past she doesn't want to remember, and his touch makes her long for far more. Yet the more time they spend together, the more Naomi sees that perhaps it's Colby who needs rescuing the most... Anything he can do, I can do better. At least that was what Cassie Bucknell thought before she pinned on Ben Wilder's badge and took to patrolling the streets of Cactus Creek, Texas. Cassie has been in love with Ben since primer school, but Ben treats her like a little sister. When they are picked to swap jobs for a month as part of the annual Cactus Creek Challenge in their Texas hometown, the schoolhouse is thrown into an uproar, the jail becomes a temporary bank vault, and Cassie and Ben square off in a battle of wills that becomes a battle for their hearts. He'll protect her from her nightmares, but who will protect his heart? The Blaine brothers learned how to survive at a young age the hard way. But after a life of working odd jobs, Colby thinks he might just be ready to settle down. Until his fiancé jilts him for a man with more money. Naomi Kessling is already plagued by nightmares and a violent past when her wagon train is attacked. Colby saves her life, but Naomi is convinced he's been sent by the army to arrest her for a crime she can't remember. Colby will help her face her nightmares, but will her love be enough to break down the wall he's built around his heart? An extravagant wedding to plan. A blossoming childhood crush. And a secret ready to uproot everything... When event planner Olivia Parker heads home to help plan her brother's wedding, she decides to keep her painful divorce a secret so she doesn't ruin his big day. Easier said than

done when her feelings for a childhood friend start to blossom into something more... Flower farmer Reed Hollis has never forgotten the only woman who ever captured his heart. He also hasn't forgotten that she's very, very married. Burying his emotions along with his tulip bulbs, he decides to keep his distance while she's in town. Not a bad plan. Until he's roped into helping with the wedding. As the two work together, can they overcome their deep-rooted fears and painful secrets? Or will their budding romance wither on the vine? The saguaro, with its great size and characteristic shape—its arms stretching heavenward, its silhouette often resembling a human—has become the emblem of the Sonoran Desert of southwestern Arizona and northwestern Mexico. The largest and tallest cactus in the United States, it is both familiar and an object of fascination and curiosity. This book offers a complete natural history of this enduring and iconic desert plant. Gathering everything from the saguaro's role in Sonoran Desert ecology to its adaptations to the desert climate and its sacred place in Indigenous culture, this book shares precolonial through current scientific findings. The saguaro is charismatic and readily accessible but also decidedly different from other desert flora. The essays in this book bear witness to our ongoing fascination with the great cactus and the plant's unusual characteristics, covering the saguaro's: history of discovery, place in the cactus family, ecology, anatomy and physiology, genetics, and ethnobotany. The Saguaro Cactus offers testimony to the cactus's prominence as a symbol, the perceptions it inspires, its role in human society, and its importance in desert ecology.

Jane Austen meets Sherlock Holmes in this new Regency mystery series Newly returned from finishing school, Lady Juliette Thorndike is ready to debut in London society. Due to her years away, she hasn't spent much time with her parents, and sees them only as the flighty, dilettante couple the other nobles love. But when they disappear, she discovers she never really knew them at all. They've been living double lives as government spies--and they're only the latest in a long history of espionage that is the family's legacy. Now Lady Juliette is determined to continue their work. Mentored by her uncle, she plunges into the dangerous world of spies. From the glittering ballrooms of London to the fox hunts, regattas, and soirees of country high society, she must chase down hidden clues, solve the mysterious code her parents left behind, and stay out of danger. All the while, she has to keep her endeavors a secret from her best friend and her suitors--not to mention the nosy, irritatingly handsome Bow Street runner, who suspects her of a daring theft. Can Lady Juliette outwit her enemies and complete her parents' last mission? Best-selling author Erica Vetsch is back with a rollicking, exciting new series destined to be a hit with Regency readers who enjoy a touch of mystery in their love stories. Fans of Julie Klassen, Sarah Ladd, and Anne Perry will love the wit, action, and romance.

Description of an area at the southern end of the Coast Ranges. The Voice: The Unparalleled Life of Roger Huston is a blockbuster book about the life of the number 1 horse racing announcer in the country—Roger Huston—which many agree on. Huston has called more than 178,000 races, covering at least 144 tracks in nineteen states and eight countries. Known as the Voice because of his booming vocal crescendo, when one hears that sound, you instantly know a trotting or pacing race is imminent. Whether he calls an overnight or the Little Brown Jug, Huston makes each and every race exciting. Through these pages, the author takes you face-to-face with the classic races of the era. “Aven is a perky, hilarious, and inspiring protagonist whose attitude and humor will linger even after the last page has turned.” —School Library Journal (Starred review)

Aven Green loves to tell people that she lost her arms in an alligator wrestling match, or a wildfire in Tanzania, but the truth is she was born without them. And when her parents take a job running Stagecoach Pass, a rundown western theme park in Arizona, Aven moves with them across the country knowing that she'll have to answer the question over and over again. Her new life takes an unexpected turn when she bonds with Connor, a classmate who also feels isolated because of his own disability, and they discover a room at Stagecoach Pass that holds bigger secrets than Aven ever could have imagined. It's hard to solve a mystery, help a friend, and face your worst fears. But Aven's about to discover she can do it all . . . even without arms.
