The Accidental Millionaire Apr 02 2021 *The Accidental Millionaire* is the memoir of Gary Fong, would-be slacker who revolutionized wedding photography, inventor of popular photography aids, entrepreneur, contrarian, bon vivant and a man who really, really didn't want to become a doctor. A first-generation Chinese-American, Gary was raised in one of Los Angeles' least-desirable neighborhoods and was forced to deal—in his own quirky and often very funny way—with the burdens of poverty, crime and his parents' relentless aspirations. These issues almost overwhelmed him until he had a dramatic epiphany. Spotting a bumper sticker that read "Since I gave up hope, I feel much better," Gary promptly did just that. He stopped trying and started succeeding. At turns hilarious, insightful and instructive, *The Accidental Millionaire* is Horatio Alger-meets-David Sedaris. Turning the traditional self-help principles upside down, *The Accidental Millionaire* disdains the goal-oriented approaches of traditional self-help philosophies.
