Ups and Downs of Life in the Indies

Mar 28 2021

Written by one of the most realistic colonial authors of his time, his naturalistic novel presents a vivid portrait of colonial life on the island of Java in the late nineteenth-century. P.A. Daum (1850-98) was editor of popular newspaper in central Java. In 1883 he began to write novels under the pseudonym "Maurits" and serialized them in his paper. Over a ten year period he

produced ten novels, all of them written in unadorned style and concerned with the vicissitudes of Dutch colonial life. His work is known for its direct style, sense of humor, and psychological portraiture. He is a perceptive observer with an eye for detail and a fine ear for the rhythms of speech in the East Indies.

Jewish Life in Pennsylvania May 10 2022 Over the last 350 years, two million Jews emigrated to America from

eastern & central Europe & from the Caribbean. Once settled as Americans, they created new Jewish religious, cultural, & charitable assoc. that fit the American experience. When Britain took the port of Phila. & territory around the Delaware River from Holland in 1664, it promised ðliberty of conscience in church disciplineð to settlers. From then on, Jewish traders could travel & live freely in PA. Contents of this

study: Exploring Freedom: Jews in Colonial PA; Reshaping Jewish Life in Antebellum PA: Dividing & Uniting; Immigration & the Growth of Reform; 1880-1900: Immigration from Eastern Europe Increases; Shifting Crises: PA Jewry Before & After WW2; PA Population Table; & Glossary. Ill.

Partners 4 Life

Sep 14 2022 Early in 2008, doing ordinary, mundane things like tying his shoes and walking up steps literally took author Jim Uhrig's breath away. He had trouble breathing, and it seemed as though he could never catch his breath. That was the beginning of a

long journey for Uhrig, who shares his story in *Partners 4 Life*. In this memoir, he narrates the path his life took after being diagnosed with the incurable idiopathic pulmonary fibrosis and undergoing a subsequent lung transplant in April of 2009. Uhrig not only discusses his diagnosis and treatment, but also places special emphasis on the partners—from his personal life, his business, and his sports activities—who provided him with inspiration and help and played an integral role in his survival. He includes his partners in medicine, the donor and her family,

caregivers, and special angels. Uhrig's story relates how he tackled his lung disease and transplant with the same fervor he lived life. *Partners 4 Life* communicates the saving grace of an organ transplant as well as the power of positive thinking.

Powwowing in Pennsylvania Jan 06 2022
This cultural exploration offers an unparalleled presentation of Pennsylvania's ritual healing traditions known as powwowing or Braucherei in Pennsylvania Dutch, through original primary source materials, including manuscripts, ritual objects, and books—most of which have never before been available to English-speaking readers. Although methods and procedures have varied considerably over three centuries of ritual practice within the Pennsylvania Dutch cultural region, the

outcomes and experiences surrounding this tradition have woven a rich tapestry of cultural narratives that highlight the integration of ritual into all aspects of life, as well as provide insight into the challenges, conflicts, growth, and development of a distinct Pennsylvania Dutch folk culture.

Volume IV of the Annual Publication Series of the Pennsylvania German Cultural Heritage Center at Kutztown University of Pennsylvania.

**The Supreme
Court of
Pennsylvania** Sep
02 2021
Established in
1684, over a
century before the
Commonwealth,
Pennsylvania's
Supreme Court is
the oldest appellate
court in North
America. This
balanced,
comprehensive
history of the Court
examines over
three centuries of
legal proceedings
and cases before
the body, the
controversies and
conflicts with which
it dealt, and the
impact of its
decisions and of the
case law its justices
created Introduced
by constitutional
scholar Ken
Gormley, this

volume describes the Supreme Court's structure and powers and focuses at length on the Court's work in deciding notable cases of constitutional law, civil rights, torts, criminal law, labor law, and administrative law. Through three sections, "The Structure and Powers of the Supreme Court," "Decisional Law of the Supreme Court," and "Reporting Supreme Court Decisions," the contributors address the many ways in which the Court and its justices have shaped life and law in Pennsylvania and beyond. They consider how it has adjudicated new

and complex issues arising from some of the most notable events and tragedies in American history, including the struggle for religious liberty in colonial Pennsylvania, the Revolutionary War, slavery, the Johnstown Flood, the Homestead Steel Strike and other labor conflicts, both World Wars, and, more recently, the dramatic rise of criminal procedural rights and the expansion of tort law. Featuring an afterword by Chief Justice Saylor and essays by leading jurists, deans, law and history professors, and practicing attorneys, this fair-minded assessment

of the Court is destined to become a criterion volume for lawmakers, scholars, and anyone interested in legal history in the Keystone State and the United States.

Physician Assistant

Adult Coloring Book

Aug 25 2023 In this adult coloring book we have put together tons of hilarious PA puns, artworks etc. The book contains a wide variety of floral designs, each complete with a very relatable, funny quote. This book makes a fantastic funny gift idea for a physician assistant. So if you have a family member or friend who works as a physician assistant they will be sure to love this adult coloring book! The book contains 25 single sided coloring pages. This allows you to remove each page for framing or hanging. This also helps reduce bleed through onto the other designs even if you are using

markers, making this book suitable for everything from coloring pencils through to marker pens.

How to Write Your Physician Assistant Personal Statement

Apr 21

2023 You've finally finished your personal statement and it's perfect!

There's just one thing to consider before hitting the "send" button - will it meet the

admission team's expectations? How will you know?

CASPA guidelines are vague - "Write a brief statement

expressing your motivation or desire to become a physician assistant." School websites aren't generally more helpful. Do they want to hear that you've dreamed of becoming a PA since you were five and loved your toy stethoscope? Are they interested in your volunteer work at a homeless shelter? Will it help that you've been a science nerd since 9th grade Biology? How should you tell your story? Should it read like a textbook, a novel or something in between? The fact is there hasn't been much guidance. Until now. Admissions directors and faculty from PA programs across

the country have shared their thoughts on personal statements - what they hope to see, what they wish they'd never see, and tips to make an essay shine. When compiling this book, we realized that access to insider information is just the first step to writing a winning personal statement. That's why we teach you everything you need to know about essay writing, from form to finesse, with step-by-step tips and examples. This is your all-in-one guide to writing the ideal personal statement for Physician Assistant programs anywhere in the country. **PA Life Is The Best Life** May 22 2023 Are you

Regional Cooperation for Water Quality Improvement in Southwestern Pennsylvania Oct 03 2021 The city of Pittsburgh and surrounding area of southwestern Pennsylvania face complex water quality problems, due in large part to aging wastewater infrastructures that cannot handle sewer overflows and stormwater runoff, especially during wet weather. Other problems such as acid mine drainage are a legacy of the region's past coal mining, heavy industry, and manufacturing economy. Currently, water planning and management in southwestern

Pennsylvania is highly fragmented; federal and state governments, 11 counties, hundreds of municipalities, and other entities all play roles, but with little coordination or cooperation. The report finds that a comprehensive, watershed-based approach is needed to effectively meet water quality standards throughout the region in the most cost-effective manner. The report outlines both technical and institutional alternatives to consider in the development and implementation of such an approach. **Annual Report** Aug 13 2022 Honorable Peter Morton,

[The Life of Pennsylvania Governor George M. Leader](#) Dec 05 2021 The Life of Pennsylvania Governor George M. Leader tells the story of George Michael Leader who, at 36, was the second youngest governor ever elected to the office and served from 1955 to 1959. His chances of being elected were tenuous at best: Democrats never fared well in pursuit of the Governor's Office in

the Keystone State. His election was an upset. Republican Party stalwarts were stunned at the tally in Leader's favor. And, his election ushered in an era when the Commonwealth's electorate shifted its allegiance from majority Republican to majority Democrat, a trend that continues in the 21st century. Leader's administration achieved landmark legislation for economic development, civil rights, education for disabled children, mental health care reform, the environment, expansion of civil service, professionalization of government and in many other areas. Some

referred to Leader as a refreshing change to politics-as-usual in the State Capitol. His opposition referred to him as "that stubborn young governor." Leader was proud of both monikers. George Leader dates to an era when politics were quite different. Handshakes secured votes, campaign budgets were small, modern mass media was in its infancy, personal attacks were few and political patronage was rampant at all levels of government. Challenging Complacency stands as the only oral history-based account of a Pennsylvania governor. Written

by a leading Pennsylvania historian while the former governor was in his 9th decade of life, here Governor Leader tells his remarkable story.
