Illustrates each stage of the process of writing with examples and models. Offers strategies for the 'prewriting stage': thinking the question through, defining a purpose, selecting evidence, and choosing a presentation structure; for the writing stage: constructing introductions and conclusions, sustaining a line of argument, and choosing an appropriate level of technicality or generality; and for the editing stage: reworking sentences, ensuring that each paragraph has a focus, and that the argument flows well throughout the paper. Contains notes on referencing systems, bibliographies, and on punctuation and spelling. Includes many examples of good writing drawn from a wide variety of subjects. This practical and reassuring guide will ensure your students pass

their exams with flying colours. Ace Your Exam establishes a clear, simple framework for revision and helps students get to grips with what exams are all about. Part 1 begins by exploring institutional expectations and common anxieties and exam myths, before showing students how to tackle various types of exam, including essay-based exams, short-answer questions, multiple-choice questions, calculation-based exams and open book exams. Part 2 helps readers plot an effective revision strategy for an imminent exam and, equally important, a detailed strategy for optimal use of time and productive powers during the exam. Finally, Part 3 helps students put their plans into action. Ace Your Exam will be an essential companion to all students preparing for and taking exams. This collection of examination papers is an invaluable resource for students of law who want to test their knowledge and skills. Covering a wide range of topics, from contract law to criminal law, these papers provide a challenging and realistic simulation of the actual exam. The London University was one of the first institutions in the UK to offer degrees in law, and these papers represent the high standards and rigorous training that were required of its students. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Authentic examination papers from Cambridge Assessment English provide perfect

practice because they are EXACTLY like the real test. The Student's Book with answers allows students to familiarise themselves with IELTS and to practise examination techniques using authentic tests. It contains four complete tests for Academic candidates. An introduction to these modules is included in the book, together with an explanation of the scoring system used by Cambridge English Language Assessment. There is a comprehensive section of answers and tapescripts at the back of the book. Audio CDs containing the material for the Listening Tests, and a Student's Book with answers with downloadable Audio are sold separately. These tests are also available as IELTS Academic Tests 1-4 on Testbank.org.uk Winner of a HIGHLY COMMENDED AWARD in the Anaesthesia category of the 2010 BMA Medical Book Competition. This book comprises structured questions and answers that closely simulate the structured oral examination (SOE) format of The Royal College of Anaesthetists' final FRCA examination. The style of exam questions has changed over the years and this book matches the most recent changes in this updated exam. It consists of ten sets (chapters) of complete SOE papers. Each SOE set (chapter) includes one long case, three short cases and four different applied basic science topics (anatomy, physiology, pharmacology and clinical measurement). As this book is presented in the format of complete examination papers, it will enable candidates to assess their knowledge and skills. It will also assist trainers in setting up mock exams. With thorough revision of this book, trainees can confidently sit their exams. The authors have been organising final FRCA viva courses for the past five years, running four exam preparation courses a year, attended by about 200 trainees each year. This book includes updated knowledge based on the syllabus and more recent questions asked in the FRCA examination. It is, therefore, essential study material for trainees and a great educational tool for trainers. This book will also help candidates all over the world to pass highly competitive postgraduate examinations in anaesthesia. It is an invaluable educational resource for all anaesthetists. The MRCPsych examinations, conducted by the Royal College of Psychiatrists, are the most important exams for psychiatric trainees to achieve specialist accreditation. Written by authors with recent exam success and edited by the distinguished team behind Revision Notes in Psychiatry, Get Through MRCPsych Paper B: Mock Examination Papers provides candidates with the most realistic and up-to-date MCQ and EMIs, closely matched to themes appearing most often in the Paper B exam.
